

BERNIE PEARL learned directly from Lightnin' Hopkins, Fred MacDowell, Mance Lipscomb and more. He has built on this deep background to earn these praises:

“...this guy is a phenomenon... technical finesse, jaw-dropping chops, and ungodly authenticity...I guarantee there won't be many times in your life you'll hear blues like this.”

- Mark S. Tucker,
F.A.M.E.com

“Bernie Pearl is one of the great Ambassadors of Blues Music and history....every note is filled with the mystique, energy, and soulfulness of the blues.”

- Russ Wright,
T-Bone Walker
Blues Festival
